

Welcome back to school for Spring 1!

We hope that you had a very happy Christmas and a lovely new year.

This term in Ash class our new topic is Celebrations. We celebrate all of our achievements every day, however we are excited to be looking at specific celebrations such as Valentine's day and Chinese New year.

As always, you can see all of our amazing work on tapestry, so please keep logging on to see all of our progress.

We are welcoming our new friend into Ash class who has just started their journey at Rigby Hall School. We are a lovely class, and can't wait to share our learning with the newest member of our team.

In Literacy we are looking at instructions. We have some lovely imaginative play lined up to help us follow instructions, such as tea parties, teddy bear picnics, shopping play and cooking.

In Maths we are looking at filling and emptying containers with lots of different sensory media.

We are working on our building skills in Expressive Arts and Design with building tall towers! Then we will be moving onto manipulating dough, so we're prepared to get very messy.

All of our lessons are helping us become effective communicators with the use of objects of reference, single symbols and Aided Language Displays.

We can't wait to learn and play at school this term.
