

Oak Newsletter

Summer 1

Dear Parents / Carers

Our theme this half-term is Amazing Machines! We are going to have so much fun with this theme and we cannot wait to expand on the children's previous learning with this new topic. Summer is in the air and days are getting lighter and brighter, so more opportunities to take our learning outside of the classroom this half-term.

What we are learning this half-term

English – Plot, setting, theme and characters.

Maths – Time and division.

Science – Everyday materials.

Humanities– Transport.

Computing – Communication online.

Art – Designing and making products.

PE – Striking and fielding.

DT – Making a moving vehicle

RE – What do Christians believe God is like?

Music – Composition

Please see Oak's timetable attached. P.E kits are required on Wednesday and forest kits are required on a Monday.

Best Wishes

Miss McKenzie, Mia and Britteney.
