Admissions to Rigby Hall School are negotiated through the Local Authority (Worcestershire County Council). Most of our pupils are resident in Worcestershire, including Bromsgrove, Redditch, Droitwich and Kidderminster. All pupils will have an Educational Health Care Plan (EHCP), or will be undertaking assessment for an EHCP, as negotiated with the Local Authority through the Special Educational Needs and Disabilities team (SEND).

Guidance on Worcestershire's SEND Local Offer can be found here:

Worcestershire's Local Offer states:

If your preference is for your child or young person to be considered for a Special School, then you will need to also apply online through School Admissions and they will pass your application on to SEND Services who will then process your request.

Our admissions process is based on the following advice from the Department for Education (DfE):

- [School Admissions Code](#)
- [School Admission Appeals Code](#)

Rigby Hall School receive consultation papers from Worcestershire's SEND team. We review these and consider whether your child's needs can be met, as well as consideration to whether we have the space, staffing and resources to meet their individual needs through our provision. We then consult with the Local Authority as to whether we can meet the needs of the pupil. Worcestershire SEND team will confirm school places.

Viewings:

We strongly encourage and welcome visits to our school. You are able to book a tour of the school through the school office, contacting: office@rigbyhall.worcs.sch.uk

School tours are typically held in groups and where the Headteacher is not available, another member of the Senior Leadership Team will show you around the school. During

the tour, we talk through our provision and curriculum and we are also able to answer questions you may have regarding specialist school placements.
