

Sport Premium funding – Evidencing the Impact

Academic year: 2019/2020	Total funding: £16,000 (+ £10 per child on pupil premium)			
Key Outcome	Actions	Funding allocated/spent	Evidence/Impact	Next steps/Sustainability
1. The engagement and enjoyment of all pupils to take part in regular physical activity – both during curricular activities and extra-curricular activities	<p>New equipment</p> <p>New equipment and resources to enhance the teaching and delivery of PE lessons and also unstructured times such as lunch times and after school clubs.</p>	£500		Students to be able to access equipment and resources for not only curricular PE sessions but also access specific equipment just for lunch times and after school clubs.
2. Broader experience of a range of sports and activities offered to all pupils	<p>Attending larger sports events/venues</p> <p>Allow children the opportunity to attend larger venues as school trips or extra-curricular trips I.e. Wembley stadium, Netball world cup, Worcester Warrior games. These can be during school hours or in the evenings and weekends to increase children to enjoy the sport then hopefully participate in the sport themselves outside of school.</p>	£500		We attended the SSE Women’s FA cup final in June this year, it was very successful and has encouraged one of our students to want to join a girl’s football club outside of school and has asked if we can start a girl’s football club at school too. The aim is to get more pupils enjoying a wide range of sports and will continue these outside of school.
