

**Sport Premium funding – Future Planning - 2018-2019**

<b>Academic year: 2018/2019</b>	<b>Total funding: £16,000 (+ £10 per child on pupil premium = 27 x £10 = £270) £16, 270</b>			
<p>1. The engagement of all pupils in regular physical activity – kick starting healthy active lifestyles</p> <p>2. The profile of PE and sport being raised across the school as a tool for whole school improvement.</p> <p>3. Increased confidence, knowledge and skills of all staff in teaching PE and sport</p> <p>4. Broader experience of a range of sports and activities offered to all pupils</p> <p>5. Increased participation in competitive sport</p>				
<b>Key Outcome</b>	<b>Actions</b>	<b>Funding allocated/spent</b>	<b>Evidence/Impact</b>	<b>Next steps/Sustainability</b>
<p>1.The engagement and enjoyment of all pupils to take part in regular physical activity – extra-curricular activities</p> <p>Link to Outcome 1 &amp; 3</p>	<p>Purchase new equipment and resources to enhance unstructured times such as lunch times and after school clubs. To further improve behaviours on the playground, we will be continuing lunch time clubs for children to access who may find being on the playground difficult. The lunch time club we had this year was dodge ball which the children enjoyed. It also allowed some of the younger children to join with the older children to work on their team work skills. We also had basketball club as an after school club.</p>	<p align="center">£1000</p>		<p>Students to be able to access equipment and resources at lunch times and after school clubs. Buying in coaches to offer alternative opportunities and activities, and increase our staff skill set. Equipment and coaches bought in will enable clubs led by school staff to continue, based on interests and uptake of extra-curricular activities.</p>
<p>2.Broader experience of a range of sports and activities offered to all pupils</p> <p>Link to Outcome 4 &amp; 5</p>	<p>Attending larger sports events/venues</p> <p>Allow children the opportunity to attend larger venues as school trips or extra-curricular trips i.e. Wembley stadium, Netball world cup, Worcester Warrior games. These can be during school hours or in the evenings and weekends to increase pupil enjoyment and engagement of sports, inspiring participation in the sport outside of school.</p>	<p align="center">£2000 Cover costs of transport, tickets to events</p>		<p>We attended the SSE Women’s FA cup final in June this year, it was very successful and has encouraged one of our students to want to join a girl’s football club outside of school and has asked if we can start a girl’s football club at school too. The aim is to get more pupils enjoying a wide range of sports and will continue these outside of school. Building links within the</p>

				communities to enable opportunities for children with disabilities to access a range of sports. (e.g Para hockey, Mixed Ability Rugby).
3. Broader experience of a range of sports and activities offered to all pupils  Link to Outcome 3	X2 Staff members to complete level 1 and 2 trampoline coaching courses/Rebound therapy.  Development of high quality teaching and learning through the implementation of a trampoline	£1150 Cover costs of course, travel and supply cover		Train more staff to teach different sports and activities across the school. Open up an opportunity for trampoline club outside of school hours. Staff previously trained have left the school so we need to enhance our staff skill set in order to offer this – new staff members to our school will be trained
4. Increased participation in competitive sport  Link to Outcome 5	Working with other schools and the community to take part in local competitions and festivals. Continue membership with the All active academy in order to participate in sporting events in the community. Ensure all ages of children get the opportunity to take part in these events.	£200		Membership with All active Academy to continue. Ensure all ages and abilities of children get the opportunity to take part in competitive events. Pupils to take part in as much as they can to enhance their understanding of competitive sports and working with others.
5. The engagement of all pupils in regular physical activity  Link to Outcome 5	Swimming badges and certificates  Our pupils go swimming every week for a term, we want to offer our children the opportunity to work towards a badge, whether it is to swim 25 m or simply put your face in the water. The Dolphin centre offer this service so at the end of each term, every child will have achieved a badge and certificate.	£170		If a pupil achieves a badge for something one year, they can aim for the next badge the next time they go swimming. This allows not only the teachers to track progress but also for the children to feel like they have progressed and achieved something.

<p>6.The engagement of all pupils in regular physical activity</p> <p>Link to Outcome 1</p>	<p>Fit bits</p> <p>Each class to have a minimum of 2 fit bits so they can take it in turns within the school day to have a competition with other classes in their key stage to see who can do the most steps in a day. This will increase the children’s need to exercise and add a fun element to keeping fit.</p>	<p>£2000</p>		<p>If this is success this year, we could increase the amount of fit bits purchased next year so more children can access/use them. Have a prize for the pupil with the most steps that week. Motivating pupils to exercise more and encourage families to join in with regular ‘tweet’ updates!</p>
<p>7.Broader experience of a range of sports and activities offered to all pupils</p> <p>Link to Outcome 1,3 &amp; 5</p>	<p>RDA</p> <p>We have a small group of children who struggle to engage in PE lessons due to either behaviour or confidence. Rigby to work with a local Riding for the disabled academy to allow children who struggle to access PE lessons to access something else they can feel comfortable in participating in.</p>	<p>£2000</p>		<p>To trial for a term to assess the impact of this and then pursue with different groups of pupils; ASD, low self-esteem etc</p>
<p>8.Broader experience of a range of sports and activities offered to all pupils</p> <p>Link to Outcome 3 &amp; 4</p>	<p>Hockey</p> <p>Continue liaison with Alan Gormley at Bromsgrove Hockey club. Key stage 3 have been attending the hockey club weekly for a period of time so they can experience practicing and playing hockey against each other and local schools on a professional pitch.</p>	<p>£400 To buy equipment suited to size of children</p>		<p>We have trialled this opportunity with key stage 3 children, this will be available for Key stage 2 next year.</p>
<p>9.Broader experience of a range of sports and activities offered to all pupils</p> <p>Link to Outcome 4 &amp; 5</p>	<p>Worcester Warrior Rugby</p> <p>Make further links with Worcester Warriors Rugby Club. A Primary school package offers 5 one-hour sessions (30 per session) and covers all aspects of a game of tag rugby. Children then are offered the opportunity to visit Worcester Warriors stadium on a match day, get to showcase their skills there and</p>	<p>£450</p>		<p>Children are offered the opportunity to visit Worcester Warriors stadium on a match day, get to showcase their skills there and have a tour of the stadium. This may hopefully increase a handful of children to take up Rugby outside of school. Links with Bromsgrove Rugby Club and mixed ability rugby</p>

	have a tour of the stadium.			opportunity to increase understanding of the game and more opportunities to compete.
10.The engagement of all pupils in regular physical activity  Link to Outcome 1 & 2	Morning walking club  Invite parents who drop off, and children into school at 8.30am for a morning walking club around the school fields. Offer tea/coffee for parents after. Sign up to Fare share charity to receive fruit and veg/ cereal etc for children to have breakfast with parents in the school hall after the walk.	£200		Begin by walking the school field, after a while, open this up to longer walks. 1 Mile before school? Allows children the opportunity to walk with friends and family, then share breakfast afterwards with friends and family.
11.Broader experience of a range of sports and activities offered to all pupils  Link to Outcome 4	PE Apprenticeship  A PE apprenticeship will support teaching staff during PE lessons, lunch time and after school clubs. They can assist with the setting up and putting away of equipment. They will be a great role model for the children.	£5,700 (but the school receive £1000 if apprentice is 16-18 years old.		The apprentice can be used for one school, or can be shared between 2 schools. Speak to SCCU for information regarding full time/part time.
12.CPD for PE coordinator & other staff members  Link to Outcome 3	CPD training for PE coordinator to pass on skills and knowledge to other teachers in the school. Share resources with all teachers. Other members of staff to be upskilled in sport and swimming	£2000 Cover supply costs & training courses		Class teachers to feel confident in teaching PE across the school. PE Coordinator can learn and share ideas with other teachers across the school. This will enable more staff to teach different sports and activities across the school and have a large bank of ideas and resources to use.
