Dear Families,

Thank you for expressing a wish to view Rigby Hall School. We are very proud of our school and everything we do together, and love to show prospective Pupils, Parents and Carers around.

We have a significant number of people who require a tour throughout the year for new starters as well as a large number of people requesting a visit prior to being offered a place. This can become a bit unsettling for the pupils to have lots of unfamiliar people in and around school. Due to this, there may be times where we can't accommodate a tour, or need to complete it after school, but whatever the scenario, we always try our best to offer this.

Due to a high level of interest in our school, we have recently updated our website [www.rigbyhallschool.com](http://www.rigbyhallschool.com) with virtual tours to enable you to get a really good idea of who we are, and what we do, and this also shows the key areas in school without having to come in to the building.

We have set criteria for show rounds. Your child must already have an EHCP in place as they need this to even be considered for a Special School placement. It is ideal that the process for applying for a Specialist setting is underway, just as a means of reducing the numbers touring our school at one time and ensuring that families that need this opportunity are able to have it in a timely manner.

Please be mindful that large groups cannot be accommodated and so this may prolong the timeframe for families requesting a tour.

We hope that you gain as much information as possible from our website and if you feel there is any further information you need or after reading this feel happy that you require a tour of the school, please contact [office@rigbyhall.worcs.sch.uk](mailto:office@rigbyhall.worcs.sch.uk) where one of our office team will support you with your questions.

Many thanks

Tracey Smith
