Friday 20th November 2020

Dear Families,

I wanted to write to thank you for your support this week.

As you are aware, we have had our first pupil test positive to COVID. I'm so grateful that his family acted promptly and that he only had a mild case. I am also thankful that a week down the line, we haven't had anyone else show symptoms so I'm praying this was stopped in its tracks.

I want to thank you for keeping us up to date with anything that may affect our children in school. Please continue to do this. If you, your child or anyone else in the household has symptoms or takes a test, please either text my work phone 07935 223378 or email covid@rigbyhall.worcs.sch.uk. It is vital that you inform one or both of these as I am on them constantly in case I need to respond to anything COVID related. Please be aware that the office@ account is NOT checked at the weekend or out of school hours.

Everyone received letters last weekend either notifying of self-isolation or of the single case. On these letters was a reminder about what to do if anyone has symptoms or needs a test. Please read this and if you have any queries, please feel free to drop me a message or email so I can offer some clarity for you.

Thank you to those of you who have supported with the school 'hoodies' for classes 3.3 to 4.2. I would like to give a special mention to Polly who came up with the idea, wrote to S&H School wear & Sports, spoke with them, decided on the design, negotiated the price, arranged for samples for sizing and then wrote to you as parent carers. The uptake has been fantastic. I have been part of the email trail and Polly has been a superstar with every step of this. I have praised her as has Simon from the shop, and the support from S & H with Polly has been wonderful. A great effort. I can't wait to see the pupils wearing these in January and having the whole school back in uniform.

As we go into Winter a bit further, please continue to look after yourselves and keep well and healthy.

Have a lovely weekend,

Tracey
