

# Sycamore Class Newsletter

## Summer 1

This half term our topic is The Zoo. In Science, we will be learning about lots of different animals and their different features. In PE this term our focus is dance! We will be learning how to move like animals. For RE we are learning about what makes some places sacred to believers.

In Art, we will be exploring different textures. Our focus is going to be on the different textures of animals such as feathers, scales and fur, we will be doing this by making lots of different animal masks and describing the textures. In DT we will be making a range of animal models.

In Music we are using instruments to produce animal sounds. In Maths we are focusing on weight and size. In Humanities, which is Geography this term, we are learning about where different animals come from and learning about their environments. We will, as always, continue to work on our individual targets for Literacy and Numeracy.

Our PE is on a Tuesday and Forest School is on a Thursday. Please could the children come to school appropriately dressed on these days.

Please continue to stay in touch via email or call us at school.

This term Sarah Jones is back as the class teacher for Thursday and Friday and Helen has joined us full time as a TA.

Take care,

Sycamore Team 😊
