

Class 4.2

4.2 Autumn 1 Newsletter.

What a fantastic start to year 11.

Everyone has had a positive start to the new academic year and has put a great deal of effort into continuing their exam courses. Mr. O'Brien has reminded us that PE is on a Friday and we need to bring our kit in to get changed, we can then take it straight home so it's ready for next week!

We really enjoy having our own space and how we can make drinks, and sit in our new 'relaxing' zone so we can chat to our friends or read quietly if we need some space.

Mr O'Brien has reminded us of the uniform we should be wearing and how we all look very professional- which will help us understand the work we do in Careers.

This term the option and vocational subjects begin so we have different subjects to look forward to.

Keep checking in with Class 4.2 for updates and join in with celebrating our success.
