

Post 16 Newsletter

Dear Parent, Carers & Students

Welcome to Post 16!

After only 1 week the young people have already settled in brilliantly!

In Post 16 at Rigby Hall we aim to get our students ready for life after school. Our curriculum covers a wide range of skills from becoming part of a community to employments skills and from developing our health and well-being to learning valuable life skills. Along every step of the way, we encourage our students to become independent and considerate young people.

Our students will be making full use of the Life Skills Village throughout the week. We will continue to be ensuring that all students have regularly Sport & Fitness Sessions and therefore all students will need to bring appropriate PE kit and trainers to school on Tuesdays. I would also remind students that now the uniform policy is reinstated, that blue jeans are not permitted to be worn in school. The one exception to this rule is 'Dress Down Friday' which will continue until the end of the summer term.

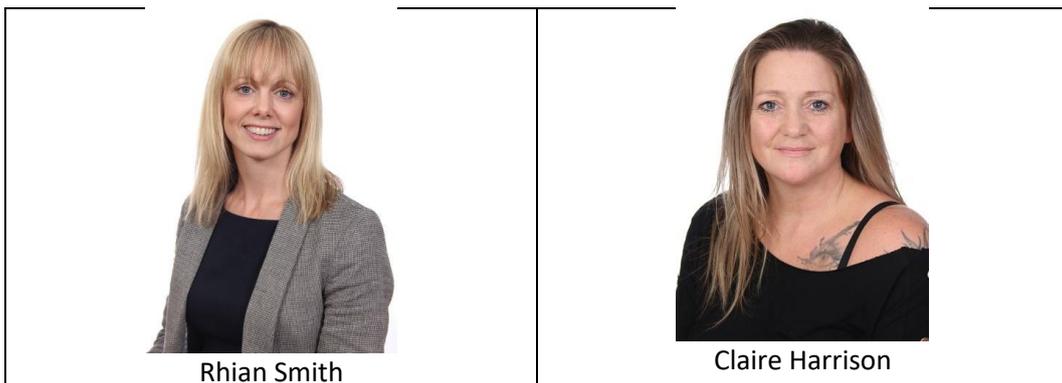

In post 16, students will be working towards the Duke of Edinburgh bronze award. This will involve volunteering, sport and fitness and learning new skills. these three sections will be completed in school time as part of the curriculum. If you have any questions please don't hesitate to get in touch.

As a team, we feel our young people have a huge amount to offer, as staff our aim is support to follow their aspirations and encourage them to believe in themselves! We look forward to working with all of the students and their families during their time in Post 16.

If you have any questions or require any additional support, please contact us on the following email addresses Gblunn@rigbyhall.worcs.sch.uk or BRichards@rigbyhall.worcs.sch.uk and we will be in touch.

We look forward to supporting the students as they continue on their journey,

The Post 16 Team

Beth Richards
