

# Beech Class

Hi,

This term we are looking at the theme 'ShowTime'. The children will be learning about the circus and focusing on 'Pablo Fanque' who is a famous great Victorian Showman from the circus.

This term in Literacy we are looking at rhymes and poetry and in Maths we are learning all about Money. The children are practicing learning about the value of money and understanding that money can be exchanged for something so this could be good for you to practice with the children if you are out and about at the shops.

This term we will also be doing a school Christmas production and we are starting our rehearsals for this soon which will be exciting 😊 the children will also be having a visit from the circus and a pantomime which will be good fun.

Forest school is on a Tuesday and PE is on a Wednesday morning.

Miss Watson, Abbi and Chloe.
