

Cherry Class Newsletter

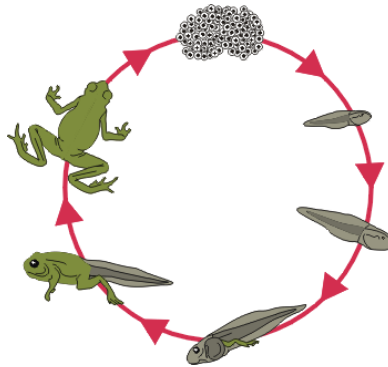

Spring 2

Hello to all our lovely parents and carers,

Welcome to a new Half-term. Our topic this half term is Amazing Animals.

We are going to be studying animal life-cycles and habitats, creating our own animals in DT and studying Australian animals and how they are depicted in aboriginal art. We are also looking at three cities around the world and looking at the wildfire found in them: Birmingham, Reykjavik and Florida.

We will even each have our own pet which will magically transform before our eyes (well, over a week or so anyway).

A few reminders;

- PE day is Friday – please ensure your child comes to school in appropriate clothing
- Forest school is Tuesday – Please ensure your child has adequate footwear to change into.

What we are learning this half-term

English – Story writing based on The Gruffalo and The Enormous Crocodile

Maths – 2D and 3D shapes – making amounts with money – length and size

Science – Animals and humans – lifecycles

PSHE – How are our bodies changing as we get older?

Communication – Getting to know ourselves

Geography – Animal habitats around the world

ICT – Data handling

Music – Learning to play the Ukulele

Art – Aboriginal art

PE – Ball skills

RE – How do Hindu's worship?

MFL – French phrases

Mr Green, Katie, Sam and Milly
