

4.2 Spring 2 Update

A really big welcome back after your spring half-term break and we hope you are looking forward to the Easter festivities, as we are in 4.2.

This half term we are working on the last maths topic for our qualification- Statistics. Everyone is enjoying creating surveys and showing our data using graphs and charts. Mr O'Brien has helped us with our interview preparation for the English speaking and listening assessment and we are all great 'Beach Wardens' for our presentations.

We are really enjoying our Life Skills Challenges- we can choose our own challenges and develop new skills in all the different subjects we enjoy.

Just to remind us, Mr O'Brien said to bring PE kit in with us so we can get changed from our uniform for the lesson.

A wonderful start to the term with world book day and we are all reading so much more as we start our day with personal and group reading sessions.

Please keep an eye on the 4.2 update for pictures of our brand new chicken coop- designed and built by a very creative member of the class team. 😊

Some information- the last English assessment is on Wednesday 11th May in the morning! A date for our diary or on the calendar at home.

Have a great Spring 2 everyone and thank you for supporting 4.2!

Class team.
