

## Beech Class

### Spring 2 Newsletter.

Beech class have enjoyed a great start to our 'Amazing Animals' topic, with World Book Day and 'The Tiger who came to tea.' Over the next five weeks, we will be reading 'The Rainbow Fish' and 'Elmer the Elephant'.

Our Maths work will be all about shape and number. We will be naming 2D shapes and going on a shape hunt. Our number work includes adding, subtracting and recognising/ forming numbers correctly.

Our Science this half term is all about animals and their habitats. We will be identifying common animals and sorting them into groups: mammal, reptile, amphibian, bird, fish.

We are looking at the Easter story and the life of Jesus in RE and our art and design technology is linked to the 'animal' theme, creating animal patterns and making moving animal pictures. We will be designing and making bird- feeders making animal masks.

It is going to be a very busy half term with lots of fun learning. A reminder of our Forest School and PE days:

**Tuesday – Forest School** – Please send children into school dressed for forest school.

**Wednesday - PE**
