Newsletter

Dear Families,

We have reached the end of 2023... and practically Christmas Day!! We are so proud of all the children who have quite simply been functioning on their reserve fuels for this past week... along with the staff.

I normally do a 'round up' of the year in my final newsletter piece, but this year, I just want to say **thank you** to you all. This year has been the toughest of my career. I have been teaching for 24 years, with 16 in Leadership and Management and the last 7 in Headship. Never have I experienced anything like I have done in the past couple of years, with this year being the (not very tasty) icing on the (pretty stale and mouldy) cake! This week we completed our step 4 complaint to Ofsted, the independent review, of what we have been through. As a result of the inquest held recently and the Coroners report of our colleague Ruth Perry, it has brought up lots of emotions, upset and anger at our own case, and made me more reflective because of this. So I wanted to share my appreciation of you all in this newsletter.

To our pupils... on an hourly, daily, weekly, monthly basis you make us burst with pride. You are all incredible little people and we are so lucky and privileged to be sharing this part of your life journey with you. You all come in to school with the biggest of smiles and with so much appreciation and trust for all of the staff within our school that means we cannot help but give you the 110% commitment and quality education that you all more than deserve. Some of you struggle with your emotions at times and we understand this and want you to know we are always here to support you and let you know that we will always care for you, and we will always get the best from you, for you. Your energy, enthusiasm and 'want' to learn and soak up lots of new knowledge is wonderful to see and I want to thank you all for the being the reasons I have come in to work every day, even on the hardest days, because you all deserve that and so much more, and you are a pleasure to be around. To all of you, thank you from the bottom of my heart. I am looking forward to seeing you all grow, develop and progress even more next year!

To our staff team ...a huge thank you for your support, loyalty and commitment this year (and always); within our team I include our School nurses; Mel, Emily and Kate, our Speech and Language Therapists; Claire, Alice and Sarah, our Occupational Therapist Hannah, our Educational Psychologist Tom and our Play Therapist Flo. Your resilience, positivity, energy and passion are incredible. Your team spirit to keep things going after the first inspection was admirable. Your fight and determination to support the complaints process and go through a re-inspection is something I have never experienced and something that I will always be grateful and in awe of. I know the roles we do are not easy, but I also know that when you have true 'blue' blood, you couldn't imagine being anywhere else doing anything else. Thank you for being the amazing team that you are.

To my management team... as a little extra thank you, as you see me at my worst!! Thank you for the many moments of keeping me regulated, checking in and ensuring that everything is as ok as it could be. I don't, and can't do this job on my own. So, to you, as well as the whole school staff, thank you for keeping me going when I didn't think I could.

To our wonderful families... some of you I have known for years, some I have known for weeks, but whatever the timescale, you put your trust and faith in me that along with my team, we will look after your child and ensure they receive only the best. Despite what may have been 'reported' I want to reassure you that 'the best' happens on a daily basis. Every single person in our team wants 110% for your child and that's what I and we, ensure happens. Your support and kindness really matter and I can't thank you enough for being fantastic! When a school goes through something like we have, it can go one of two ways. I have never been as nervous as the morning of the 22nd September when I walked out to see you all. The reception I got was of overwhelming support and community and I will be forever grateful to you all for this. It still makes me emotional when I think of this but your unwavering loyalty to us means the world, so thank you to you all.

To our Governing body... even though we are fairly new as a board, you have all stepped up and joined this cohesive fight in support of all the children, staff and families. Your support and protection has been reassuring and greatly appreciated. To Mark and all the Governors, thank you so much for looking after me, and in turn, the school community.

To our Friends of Rigby Hall... we may be on a 'pause', but your time and efforts have not gone unnoticed and I am so proud that you have co-ordinated the fundraising to achieve over £11,000 for the pool!! As I said before, we are in the process of tendering for this, and so with a refreshed energy in the new year, hope to have this underway as soon as! So, thank you to everyone for their kind donations and support and thank you to Vicky and the team for your hard work.

To our Community Partners... we are heavily involved with Kazoku-Kan Judo Club, Redditch United Football Club, University of Birmingham Student nurses, Midlands Down Syndrome Football Club, HB9 Harry Bennett Foundation, our very own Isaac's, Isaacs Food Bank as well as our local community; Aston Fields, St Godwald's Church and various other schools, sporting and business partners... to all of you, and more, for your continued support, we thank you.

So, to complete 2023, I would like to reiterate my huge thank you to you all. I don't think you will ever fully understand and appreciate how much you have contributed to me getting through this year, both personally and professionally; so to everyone mentioned, you are all incredible and I couldn't have gotten through without your continued support and kindness.

I hope you all have a wonderful Christmas and New Year. I am really looking forward to going into 2024 with a fresh mind, re-energised passion and an even more determined drive forwards to ensure that we continue the good work we already do together.

Keep safe and well Team Rigby

Love and best wishes

Tracey x

Some additional mentions

This term we say a fond farewell to Claire Walsh (Holly Teacher), Samantha Clarke (Teacher), Alex Westcott (Assistant Site Manager), Miriam Schwartz (HLTA -Maple) and Abbi Russell (TA). We wish our team members all the very best as they move onto new adventures and new chapters.

To our team we welcome Emily Slater (Teacher in Holly), Lydia Brettle (TA) and Kamelya Ruseva (TA) and Simon Tyler (Assistant Site Manager) as well as securing 'casual' staff that we already had and promoting staff within the team. Welcome and Well Done to you all.

You may notice that we are carrying some vacancies within our Teaching team. This is not an unusual picture within education at the moment as it is a difficult to recruit Teachers everywhere in the country! We are extremely fortunate that we have such quality Teaching Assistants who are able to take this on with the support of other staff and keep the children's education to a high standard. Whilst we appreciate this is not an ideal situation, we have not had a vast amount of 'good' supply teachers. Where we do, we keep them, but there can be a turnover of staff if they are not of the quality and standard that we need and want for our children. I make no apologies for moving temporary staff on if they are not good enough. Our children get one shot at their education here and it will be of the highest quality. Therefore, if your child is being taught by one of our higher-level teaching assistants, please be assured that this is because they teach to a high standard and they are better than the temporary staff we have tried. We will be looking to recruit in readiness for Teachers starting after Easter, so we will keep you up to date on staffing, but just wanted to reassure you.

To Shelley Wheeler, who has been promoted from Assistant Headteacher to Deputy Headteacher. We all congratulate Shelley on this achievement. Congratulations!

Congratulations to Becky Walsh and her husband Kieran, who welcomed their first child, Elias on October 31st! He is a gorgeous little bundle of wonderful! Enjoy this precious time together, now and always!

We appreciate this can be a difficult time of year for many reasons, and the end of a year moving into a new one makes us all very reflective. To all of you who have lost loved ones this year, we all hope you have a lovely Christmas together and share some happy memories and take comfort in the people around you. We hope that the smiles of the memories outweigh the heaviness in your hearts.

If you need me during the holidays, you have my number. You do not need to feel sad on your own, or worried by yourself, there is always someone to listen and share with you. Sending hugs to whoever needs.

Tracey

Attendance Guide

Whole School Attendance is : 89.9%

What YOU must do:

Try to telephone the school before 8.30am each day of your child's absence.

Tell the school in advance, of any medical appointments and bring in appointment cards/letters.

If you are not sure whether your child is well enough to attend school, send them in anyway as they often perk up on arrival.

Have a backup plan for if your child misses transport, call on a family member, neighbour or friend.

Arrange in advance if you wish to collect your child before 3 o'clock and have received permission to do so.

If you and your child are experiencing difficulties with school attendance then talk to us as a first step so we can help!

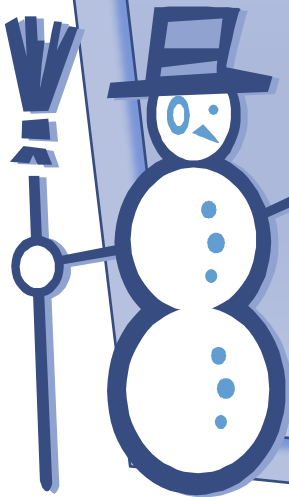

What WE will do:

Check your child's attendance every day.

Phone home to discuss your child's attendance with you.

Invite you into school for attendance meetings if we are concerned.

If we cannot establish a reason for absence, then we may make a welfare home visit.

Ash

This half term in Ash Class has been super busy, but so much fun!

Our topic theme has been Time to Rhyme, and we have absolutely loved listening to all of our favourite nursery rhymes.

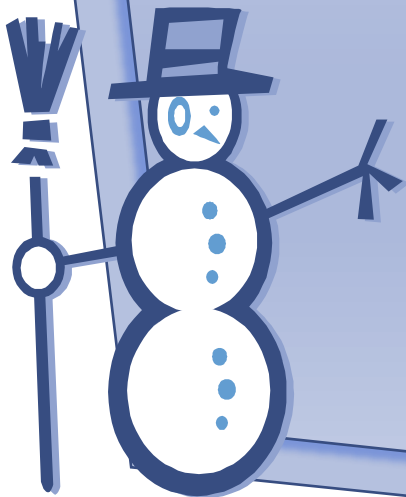

One of our favourite lessons is Expressive Arts and Design, where we have been playing instruments to Christmas songs! We get all cosy with the twinkling lights and play our beautiful jingle bells.

This term we met Father Christmas and his reindeers! He was very jolly, and we even got a little present from him.

One of the most exciting things that have happened this term is that we have moved into our new classroom. Our adults are so proud of us, as we have transitioned really well, and we love to learn in our new environment.

We are so excited for next term. Our theme is Celebrations. We already love to celebrate everything that we get to do at school everyday!

However, before then it's time for Christmas, and we can't wait to share Christmas morning with all of our amazing adults at home.

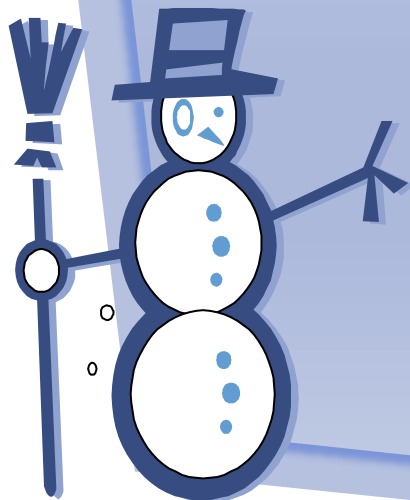

Bay Class

This term we have enjoyed our topic of 'Fantastic Films'. We took part in sensory stories based on the movie of the Roald Dahl book 'Matilda' and also enjoyed creating some movie posters based on art work by Chung Kong.

We were lucky enough to be visited by Santa and his reindeer. We enjoyed meeting the reindeer and receiving gifts from Santa. We also had lots of fun at the Santa dash exploring the snow machine.

In class we have enjoyed sensory snow and ice play, taking part in Christmas craft and sensory cooking.

We also enjoyed taking part in the school play 'Shrek'.

Next term our theme is 'Wonderful Worcestershire'.

We hope you all have a lovely Christmas and a Happy New Year.

Thank you for your continued support.

Holly

Pupils in Holly class have enjoyed exploring film music and movie posters in Art this term.

Holly class have enjoyed learning about light in Science and especially liked learning and exploring the colours of the rainbow.

Pupils have worked hard in Maths to create lots of different patterns using different resources.

Holly class have enjoyed lots of fun in December and wish everyone a very merry Christmas!

Saplings

Saplings have worked really hard with their gymnastic skills this half term, learning to jump by bending their knees and propelling their feet from the floor. Saplings have also learnt to use their bodies to balance in a range of ways with symbol support and modelling.

In Understanding the World Saplings enjoyed learning about Diwali, the festival of light. Saplings explored the sensory room with their lights, Rangoli patterns, Diwa lamps and played with a range of spices in our home corner role play. We have also developed our learning in Remembrance Day, thanking the soldiers for protecting our country and explored the poppy symbol.

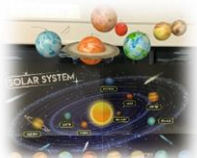

As part of our Christmas learning we have enjoyed sensory drama sessions where our puppet Babushka goes to the North Pole to see Father Christmas. We also made our own Christingles and took part in a Christingle service.

Sycamore

In Sycamore class this term, our theme has been Under the Sea! We have focused on lots of sea and water themed activities in our lessons.

In Literacy, we have been looking at the story "whatever next". We listened to a sensory story and have engaged better and better with this over the weeks.

We have also made some fantastic progress with our phonics! We have learned lots of sounds and have been practicing using sound buttons to make cvc words. We have really developed our fine motor skills and writing ability too!

Sycamore class have also worked exceptionally hard on their nativity. We put so much work into making all of the props and are really proud of all the things we have made this term!

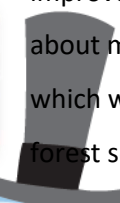

We had visits from Pudsey for children in need!

We had visits from the reindeers for Christmas!

In maths we have been learning about shape, time and weight. Our shape knowledge has really improved! We have also learned about more and less in number which we have loved doing in forest school sessions!

We have made fantastic progress with our communication by doing lots of signing, listening time, PECS and using ALDs and this has really shown! Fantastic work, Sycamore Class!

Willow

This term in Willow Class we have been focusing on our topic 'Rhyming' We have been exploring Rhymes in Nursery Rhymes, in stories and in songs. We have also been able to put together some rhyming strings as a class. Brilliant work!

In Religious Education we have been exploring the Nativity story and even took a special trip to meet some of the special characters from the story in a special Christmas Experience. We all had such fun learning about the Baby Jesus.

In Mathematics we have been adding and subtracting and honing our skills to see how many sausages were left in the frying pan after 1 or 2 went bang. We also have been learning about shapes and how some shapes have many sides and some not so many. We especially enjoyed the magic shape bag game where we had to guess the shape from only seeing the top half of it. We all did so well.

We have enjoyed the countdown to Christmas in Willow Class with lots of Christmas fun and some very special visitors in School over the last few weeks including Elves, Reindeer and Father Christmas, we all feel so lucky!

We would like to wish all of our Willow Class Families a very Merry Christmas and look forward to greeting the children back in the new year.

From Claire, Sharney, Jo and Caitlin x

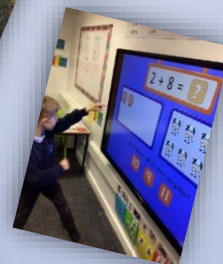

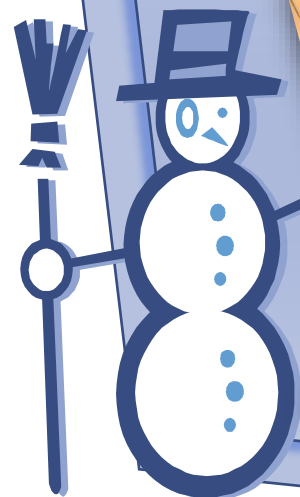

Beech

Beech class have enjoyed the 'Fantastic Films' topic! We have listened to a range of leitmotifs from films and explored how music changes to describe a character e.g. Darth Vader and the Jaws. In History, the children enjoyed looking at photographs of themselves as babies, toddlers alongside a recent photograph and placing them in the correct order. We also explored and played with toys from the past. In Art, we looked at how artists have created posters for films, looking closer at the work created by the designer Chungkong. We copied this skill and created some amazing posters for our school play 'Shrek'. In PSHE we have been working on how to recognise who our friends are and the qualities of a good friend.

All of the children have enjoyed our work in Maths. The children have enjoyed developing their understanding of number through songs and rhymes. They have been comparing groups of objects saying which has more or identifying that it is the same, before moving onto adding 2 groups of objects. We also explored patterns and shapes in the classroom as well as in Forest School. The children were amazing at this, they loved hunting for patterns to match the animals they were holding. The children all copied my repeating patterns, created their own using toys and natural materials. I was particularly proud of them when we did movement patterns, they enjoyed copying mine as well as making up their own.

In English, we have enjoyed watching clips from the film Matilda. We started with a sensory story which all of the children joined in with. As a part of the topic, we made a garage for the children to role play with cars, a big lorry, wheels, tools and overalls to dress up. All of the children engaged well in this and even requested more time! We incorporated handwriting into the roleplay and the children worked hard at generating phrases for parts of the film using colourful semantics to help them.

Oak

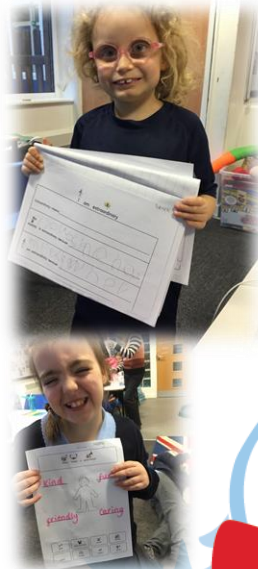

Oak Class have had a lovely half term. We have enjoyed completing our maths lesson in forest school with our friends and decorating our class Christmas tree.

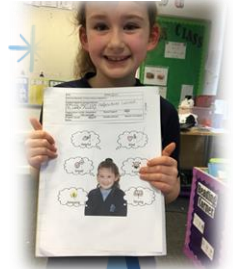

Our school play this year was Shrek, we hope you all enjoyed watching! Here is Donkey and Peter Pan.

This half term our topic was Fantastic Films! We looked at the book and film Matilda. We worked well to describe the plot and what traits the characters have. We created our own Fantastic Films display with everyone's favorites films!

In PSHE we looked at what made a good friend to us!

In Science we learnt about the sources of light and enjoyed experimenting with the torches.

Have a lovely Christmas! 😊

Rowan

In History, we have enjoyed learning about the Great Fire of London, we sequenced the events in when the fire took place. In RE, we explored the story of Noah's ark and look at Christianity. We have also enjoyed our forest school sessions where we have used he materials to help us with our addition sums.

In English this term we have enjoyed reading the book Matilda. In English, we have explored the character and have learned about how extraordinary and special Matilda is. In Maths, we have explored patterns and have made two step and three step patterns. We have enjoyed creating patterns with 2d shapes and numbers. We also explored symmetry and have enjoyed creating different symmetry

Have a wonderful Christmas and New year.

Cherry

This half-term we have been learning about Fantastic Films! We have studied Matilda in English, analysing themes, debating and adapting the story line. In Maths we have focused on addition, shape and space. In Science we studied light.

We have learnt so much in all our lessons. It has been very busy few weeks with a Santa dash, Christmas performances and a Church service, where the children performed and made Christingles.

Cherry class worked so hard selling all of Primary's made items for our Winter Wonderland. They spoke to parents, took money and were polite when serving. The life skills they learnt from this event was amazing. A huge congratulations to them all, we are so proud!

Thank you all for all your support with costumes, learning lines and the normal week to week support with learning (especially with reading and spelling). We would like to wish you all a Merry Christmas and a happy New Year from team Cherry!

Kelly Ferran, Chloe and staff support

Hazel

This half term our topic has been 'Fantastic films'. We have thought about our favourite films and enjoyed watching some Christmas films.

In English we have explored the story of 'Matilda' and have been thinking about the different characters in the story.

In Maths, we have explored patterns and have continued and made our own patterns. We have also looked at symmetry and created symmetrical pictures. We have made 'natural' patterns using leaves, stones and twigs in Forest schools.

In Science, we have enjoyed exploring light, we have found lots of different light sources and been able to name them. We have explored how shadows are formed and made our own shadow puppets. We have thought about the sun, as a light source and learnt about keeping our eyes safe, by not looking directly at the sun.

We enjoyed going to St Godswald's Church for our Christingle service, where we read a Christmas poem.

We have loved preparing for Christmas, especially joining in with our Winter Wonderland day, doing the Santa dash in the 'snow' and selling our magical reindeer dust at the Christmas Fayre. We have enjoyed being part of the whole school performance of Shrek and being on stage.

PE

Visit to London and Wembley

On Friday 1st December some pupils in secondary had the opportunity to explore London and watch the lionesses at Wembley! During the visit pupils got to see Buckingham palace, Big Ben and the London eye to name a few sites. At Wembley England played against the Netherlands with a very exciting match ending 3-2 to England.

This trip was very popular and we will be looking at running this again in 2024!

KS2 Move it festival

Some of our key stage 2 pupils visited South Bromsgrove school for a Move it festival where pupils took part in a carousel of activities such as rugby skills, hockey, football and boxing. They all did extremely well and supported each other by cheering each other on. Well done!

Speed Stacking Festival

In November we visited the Ryland Centre to take part in speed stacking activities. The pupils were very surprised with how much they enjoyed this new activity and now want us to buy the equipment at school! It's safe to say it got very competitive!!

Girls can festival

In November we took a group of Key stage 4 girls to Worcester for a Girls can festival. The idea of the festival was to get girls involved in new and exciting activities they may not have tried before. The girls enjoyed learning how to weight lift and to boogie bounce!

Maple

In History, Maple have been learning about the Anglo-Saxons. The children took part in an eye-opening workshop where they were able to explore different artefacts from that era.

The class were so engaged and fascinated by the different styles of clothes and tools.

In English this term, we have been exploring different types of films to help practice persuasive writing.

The children really enjoyed the role-playing lessons. They were required to act out scenes from Home Alone to show their understanding of the film.

We have also been working on adding capital letters and full stops!

In life skills, one of our activities involved teaching the pupils how to bake safely and decorate their cupcakes. We encouraged each child to take turns, work independently and collaborate as a team. The children were careful, took time when it came to decorating their cup cake and were over the moon when they were allowed to eat their creations.

Pear

In English this half term we have been looking at films. We have used a variety of clips and adverts to explore persuasive writing. We have also been working on remembering our capital letters and full stops!

In History, we have been learning about the Anglo-Saxons. As part of this, we had a fantastic workshop where we got to explore lots of interesting artefacts!

In Maths, we have been learning about weight and capacity. We know that there are 1000ml in 1 litre and 1000g in 1kg!

We are super proud of all of the children that have been reading at home and are loving seeing them with their books from our reward vending machine!

As part of our JASS award we created some yummy cakes and sold them to raise money for our chosen charity – Mind! Thank you for all of your donations.

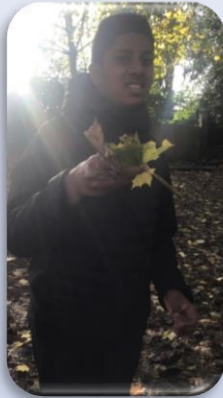

Lime

We have had a very busy half term in Lime class!

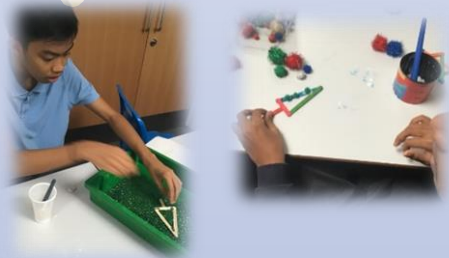

For Remembrance day Lime class made a poppy wreath with each child collaging a petal. We then walked down to the memorial statue to lay our poppy wreath.

We have enjoyed spending time down in Forest School and using our different senses to explore the environment. We felt the textures of different leaves and tried to identify

We also started our Duke of Edinburgh award and made lots of Christmas decorations to sell to staff and parents at our Winter Wonderland event to raise money for Birmingham Children's Hospital!

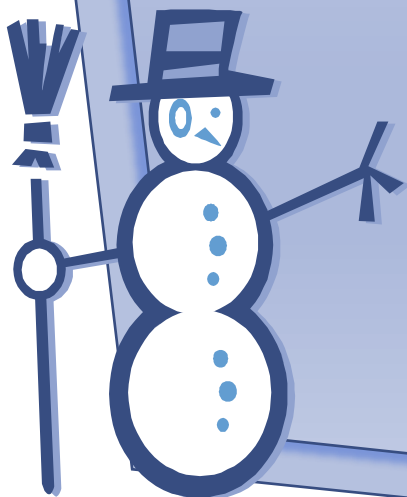

We also enjoyed taking part in the Santa Dash and our visit to Father Christmas and the reindeer.

In our Life Skills Challenge we learnt about going shopping, identifying products from their different logos and taking part in role play as either the customer or shop assistant.

In maths we have looked at subtracting and adding one and two digit numbers and have started to look at multiplying by 2, 5 and 10.

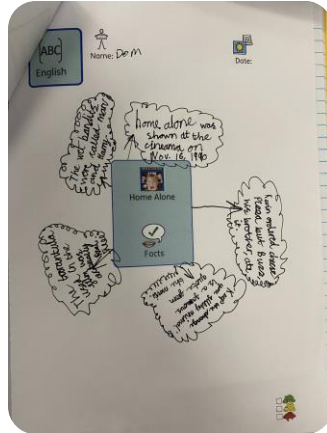

In English we have looked at writing sentences and the correct use of upper and lower case letters and have used these skills to write letters to Santa and to apply for a job in Santa's workshop!

Birch

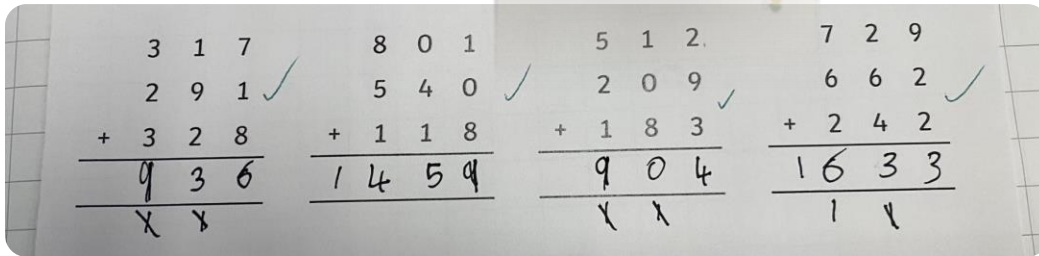

In English this half term we have been looking at films. We have used a variety of clips and adverts to explore persuasive writing.

We have also been working on remembering our capital letters and full stops!

In Maths, we have been learning about weight and capacity. We know that there are 1000ml in 1 litre and 1000g in 1kg!

We have also been extending our addition skills – look at how far some of us got!

As part of our JASS award we created some yummy cakes and sold them to raise money for our chosen charity – The RSPCA Recue Centre. Thank you for all of your donations.

In RE, we have been studying aspects of Christianity. We even visited St Godswalds church for a Christingle concert.

Cedar

English: We have been comparing films. We have studied a variety of clips and adverts to explore persuasive writing.

History: We have been learning about the Anglo-Saxons. A had a special visitor who delivered a workshop where we were able to explore interesting artefacts!

Maths: We have been learning about weight, capacity and addition. We transferred our skills when measuring out ingredients as part of our Life Skills sessions.

Life Skills Challenge: We have been learning about the importance of hygiene when preparing simple snacks and drinks.

It has been a very busy half-term. Everyone in Cedar Class continues to work hard across all areas of the curriculum. It was a pleasure to accompany the pupils to watch Snow White at The Palace Theatre in Redditch last week. Everyone behaved impeccably during the visit and we all enjoyed the performance!

Wishing you all a restful break. We look forward to seeing you all in 2024! Merry Christmas and Happy New Year 😊

Claire Amos, Emma and Henry – Team Cedar

Pine

Pine students have all made great starts to their accredited courses and all of the staff working with them are really impressed with effort and pride that is being put into their coursework.

For Remembrance Day we each created a poppy wreath and then fixed it to a cross made by Kyan. We placed this at the memorial in Fininstall before we took part in our silence.

In humanities our topic has been Christmas. As part of this we went on a trip to the Frankfurt Christmas Market in Birmingham.

The students enjoyed looking at the different stalls and trying some foods. We saw lots of different decorations and some even went on the traditional carousel ride.

The Christingle service also fitted in well with our humanities topic.

We each made our own Christingle considering what each of the different parts represent. We then took these to St Godwalds Church to take part in the service.

Spruce

Spruce have worked so hard this half term in English. We have really enjoyed the topic of films and explored a variety of different styles and tasks. We have looked at the format of reviews as well as ways that directors and writers create effect. We explored differences between books and films and did loads of work to improve our retrieval skills.

In Humanities we have been learning about different religious festivals, it obviously made sense to cover Christmas this half term! Whilst looking at religious versus cultural aspects we went down to the church for a Christingle service and then contrasted it with a brilliant day out at the Birmingham German Markets. We got the train and the students were absolutely incredible!

Students in Spruce have begun working towards their Duke of Edinburgh award. We have been looking at fundraising as part of our service requirement and fitness as our physical portion. The students decided on charities they felt passionately about and created decorations to raise money. They worked from scratch to create everything from sustainable wood that they repurposed in the construction pod.

Post 16.1

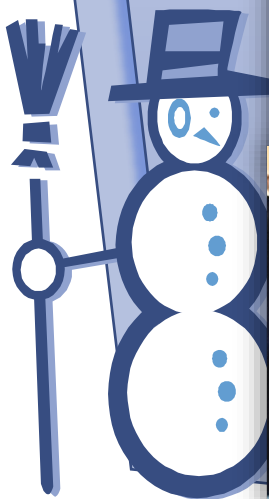

Post 16.1 have been learning British Sign Language as part of their Silver Duke of Edinburgh Award. They have had a deaf visitor support them in a lesson who was amazed at how much they have learnt and how enthusiastic they were to use BSL to communicate with him and each other.

We have continued to develop our life skills and have visited Morrisons Cafe. The students had the opportunity to use money in real life situations and practiced the exchange of money when ordering their own items in the café. Some students also went around the shop and purchased their own items and paid for them independently at the tills and self-service checkouts.

As part of our accredited work, Post 16.1 have continued to develop their literacy and numeracy skills across all subjects. They have researched a variety of jobs and careers on the internet and have started to identify information they may need to include in a job or college application. Students have been gaining some work experience around school and have helped teachers to laminate, cut out and photocopy resources, as well as keeping the outside areas free from litter. Students also earned a class reward of making and eating their own pizzas!

Post 16.2

What a wonderful Autumn term we have had!

We have been busy volunteering in and around the school community; delivering letters to our neighbours, ensuring the school site is tidy and inviting to visitors and being great role models to our younger Rigby students.

Post 16 students have enjoyed cooking a range of dishes; pasta bake, apple crumble and baking cakes and biscuits.

Some students have enjoyed working with the RSPCA, gaining knowledge and confidence working with animals.

We have all enjoyed getting involved in art projects this term, creating some impressive pieces of 2D and 3D art work.

We enjoyed a trip out to Morrisons café earlier this term and also a trip to KFC.

Students are developing their confidence, ordering their own food, paying and waiting for orders. All students are a pleasure to arrange visits for as they are all polite and well mannered 😊

Christingle

Earlier in the month, secondary students had a great time at St Godwald's church, celebrating our annual Christingle.

Students from different classes did some lovely readings that we all enjoyed.

Everyone got involved singing/ signing Little Donkey and Starry Night.

Students made their own Christingles with oranges and dried fruit and took them with them to the church. They lit the glow sticks, as for Christians this reflects the light that Jesus Christ brings to the world, and gives hope to people living in dark times.

We would like to wish Reverend Richard all the best in the new year as he moves onto a new parish.

Thank you for of all of your support and time spent with us all at Rigby.

All the best xx

Career's opportunity

The National Apprenticeship Show

West Midlands is the perfect event for School and College leavers as well as young adults to discover more about Apprenticeships across the region.

Taking place at the **Coventry Building Society Arena** in Coventry, this event welcomes visitors and Exhibitors from across Birmingham, Coventry, Dudley, Sandwell, Solihull, Walsall, Wolverhampton and the surrounding areas.

This Year the National Apprenticeship Show is taking place at the Coventry Building Society Arena on 30-31st January, welcoming visitors and exhibitors from all across the West Midlands. Pupils will learn about different career paths and apprenticeships, as well as meet an array of employers who can open their eyes to where the future can take them.

The exhibitors include:

Mercedes- Benz

Rolls Royce

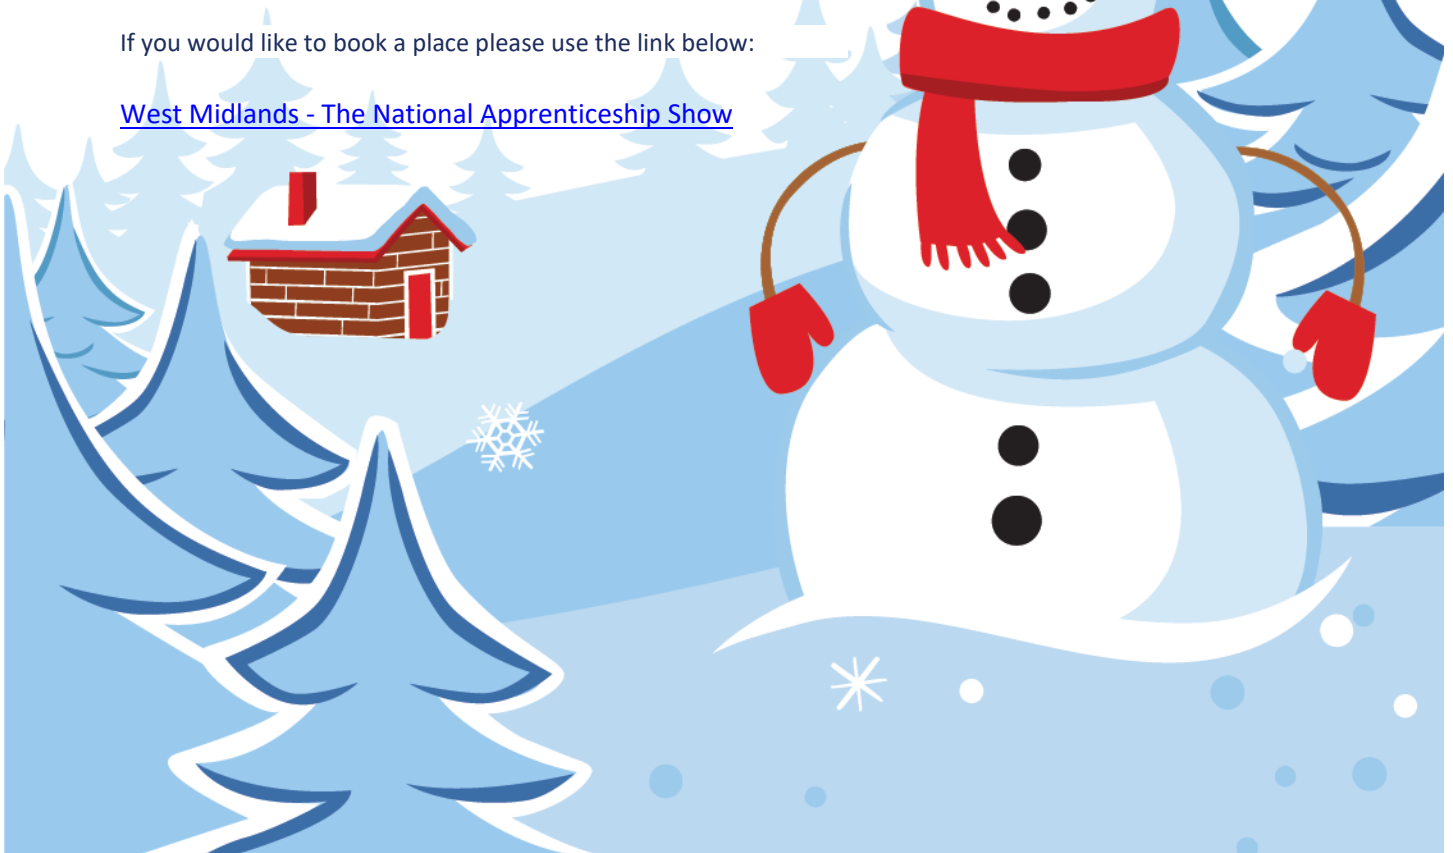

Severn Trent Water

Starbucks

Loving hospitality and more

If you would like to book a place please use the link below:

[West Midlands - The National Apprenticeship Show](#)

Star Award

Congratulations to the following pupils for being awarded this terms Head Teachers Star Award!

Evie – Sapling
